Dear Sir

The Womans Club
of Sonoma are trying to
beautify our little Town by
planting trees each around
their own property and trying
to induce their neighbors to do
the same. And I would like
to ask you as chairman of
the street committee if you will
assist in the good work by
planting trees around your lots
in this town. If you will have the
work done the W.C. will supply
the trees. Hoping to receive a favorable
answer I remain Yours Truly,
Sophia Alderwood.
